

## CANDIDATE PASSES AWAY

### J. A. ECKERT, A DEMOCRATIC CANDIDATE FOR SHERIFF.

Had Been in Poor Health for About a Year and Was Going Through Fatigue of a Campaign.

JACOB A. ECKERT one of the Democratic candidates for the nomination for Sheriff at the primaries next week, died at his home in Hampton early Monday morning at the age of

34 years, 4 months and 11 days. He had taken sick about a year ago and several months ago went to a hospital and upon his return there was improvement. Meanwhile he announced his candidacy for the nomination for Sheriff, being lead to do this by reason of the fact that he had been a candidate four years ago and was next to the winning candidate. He did some campaigning in his weakened condition. He was confined to bed for about three weeks prior to the end.

Jacob A. Eckert was born in Huntington, a son of Mr. and Mrs. Jacob A. Eckert. He came to Gettysburg early in life and became clerk at the City Hotel, Chambersburg Street, and remained there until eight years ago when he moved to the Hampton Hotel, conducting it for five years. Three years ago he started a general store in Hampton which he conducted at time of his death.

He was a member of five fraternities: Loyal Order of Moose, Hanover Order of Eagles, Gettysburg, P. O. S. of A., Hunterstown; I. O. of Red Men, New Oxford and Jr. O. United American Mechanics, Hampton.

About 12 years ago he was married to Miss Ida Thomas, of Gettysburg, who survives him with four children, Marie, Kathleen, Woodrow and Ethel, at home; his parents, Jacob A. Eckert, Sr., and Susan F. Eckert, and a brother, William Eckert, of Gettysburg.

Funeral was on Thursday afternoon at 1 o'clock, services by Rev. Irvin S. Ditzler, of the Reformed church and interment in Evergreen cemetery, Gettysburg.

GEORGE W. TSCHOP, formerly of East Berlin, and widely known throughout Adams and York counties, having been connected with the sawmill and variety works of the late Wm. G. Leas, in former years, died at the state hospital, Harrisburg, last Tuesday evening after a short illness. He was a son of the late Mr. and Mrs. John Tschop of East Berlin. Mr. Tschop and family moved from East Berlin to West York about eight years ago. He was aged 53 years and 9 months. He leaves his wife, Mrs. Jennie (Albert) Tschop, and the following children, Nevin Tschop, of York; John H., of Wheeling, W. Va.; Geo. Russell, of Wilkesbarre; Harry E. and Miss Pauline Tschop, of Huntington, W. Va. The funeral was held Friday afternoon with services in York after which the remains were brought to East Berlin and interment made in Union cemetery. Rev. E. T. Rhodes, officiating.

MRS. CAROLINE ROCKEY, widow of Samuel Rockey, died Thursday evening at her home at Gardners, R. D. She was the daughter of the late Benjamin and Mary Jumper. She leaves four sons and one daughter, J. H. Rockey, John Rockey, and Mrs. Annie Gardner, of Gardners; W. C. Rockey, of Carlisle, and Chalmers Rockey, of Racine, Wis.

MRS. ELIZABETH MILLER, widow of George Miller, died at the home of her son, H. G. Miller, in Chambersburg, on Monday evening. She was one of the oldest residents of Chambersburg and had lived until September 29, would have reached the age of 96 years. She was a member of the First Lutheran Church, Chambersburg. Mrs. John Brehm, Broadway, Gettysburg, is a granddaughter of Mrs. Miller. She is survived by the following children: William Miller, of Iowa; Mrs. Samuel Grove, Miss Ella Miller, Mrs. Davison Greenawald, Mrs. Anna McNair, Mrs. John Heller and H. G. Miller, all of Chambersburg. Funeral services were on Thursday conducted by her pastor, Rev. Dr. Henry Anstadt.

CHARLES B. BERKHEIMER died at the home of his brother-in-law and sister, Mr. and Mrs. Mason Smith, at Abbottstown, on Monday from diseases from which he had been a sufferer for about two months. Up until ten days ago he was employed as a pipe fitter. He was aged 40 years, 1 month and 23 days. He is survived by his parents, Mr. and Mrs. Henry B. Berkheimer of Abbottstown and the following brothers and sisters, A. R. Berkheimer, Mrs. Albert Rohrbaugh, of York; Emory Berkheimer, of Detroit; Harvey Berkheimer of San Francisco; R. C. Berkheimer, Mrs. Mason Smith, of Abbottstown, and Mrs. C. E. Smith, of East Berlin. Funeral was on Thursday with services in Abbottstown Lutheran church and interment in adjoining cemetery.

RUTH WOODRING, infant daughter of Joseph and Mazie Woodring, of Brushtown, Mt. Pleasant township died on Sunday from whooping cough aged 16 days and ROSA WOODRING, a twin sister, died on Wednesday from the same disease aged 19 days. They are survived by their parents and 8 brothers and sisters four of whom are ill with the same disease at this time. The funeral services for Ruth were on Monday and for Rosa on Wednesday, services being conducted by Rev. W. M. Allison and interment in Hanover Cemetery.

Mary Ann Daugherty, youngest daughter of Mr. and Mrs. Harry D. Daugherty, Cumberland Twp., died at her home Wednesday night after an illness of three weeks, aged 7 years, 11 months and 14 days. The girl was a pupil in the Willow Grove school and a member of the Mt. Joy Lutheran Sunday School. She is survived by her parents, one sister, Catherine E., and one brother, Robert E. Daugherty, both at home, and her grandfather, John W. Hess, of Gettysburg. Funeral services Saturday afternoon at 1:30 o'clock from the home of her parents, conducted by the Rev. L. K. Young, pastor of the Mt. Joy Lutheran Church, interment in Evergreen Cemetery.

Bernard Curvin Mummert, young son of Mr. and Mrs. Curvin Mummert, of Littlestown, was fatally injured Friday evening of last week when he rolled off his father's sand wagon at Littlestown. The accident took place at 5 o'clock. Charles Stahl, who was passing the scene in a truck, rushed the little fellow to the Annie M. Warner Hospital, but all efforts to save his life failed. He died Saturday evening and was aged 4 years, 4 months and 21 days. The lad was always with his father on the sand wagon and was familiar to everybody in Littlestown. The father got off the wagon to back it into place in order to unload it in front of a new dwelling in Littlestown and left the boy on the seat. The boy lost his balance and toppled off, unnoticed by the parent. He was caught in some way between one of the back wheels of the wagon and the body of it and crushed, as there was no evidence of the wheels having passed over his body. Mr. Mummert first noticed that the boy had fallen when he saw him bravely trying to crawl from under the wagon after he had dropped to the street. He rushed to the boy, tenderly gathered him up and only realized his condition when the little fellow fell limp in his arms. One side of his face was badly bruised and there was a deep gash across the other side. Examination later at the hospital developed the fact that he was injured internally which caused his death three hours later. The funeral was on Monday, services by Rev. Geo. H. Eyerler of St. John's Lutheran Church assisted by Rev. I. M. Lau, of Catawissa, with interment in the Littlestown Cemetery. He is survived by his parents, maternal grandparents, Mr. and Mrs. Oscar Harner, of near Littlestown, and paternal grandmother, Mrs. Emmeline Mummert, of Littlestown.

## WEDDINGS

Wagner — Benedick. — Claude S. Wagner, son of Mr. and Mrs. Allen C. Wagner, and Miss Sadie M. Benedick, daughter of Mr. and Mrs. Albert Benedick, both of Abbottstown, were united in marriage Thursday, Sept. 6, in the Lutheran parsonage at Abbottstown by the pastor, the Rev. Paul Glatfelter.

Zepp — Lingg. — Ervin H. Zepp and Miss Octavia W. Lingg were married in the rectory of St. Joseph's Church, Hanover, by Very Rev. J. A. Huber, rector. The couple were attended by Romanus Lingg and Miss Merium Lingg, brother and sister of the bride. Dr. Leo Stock, of Brookland, D. C., spent this week with his mother, Mrs. Sara Stock, Baltimore street.

## RED CROSS DRIVE FOR JAPAN

### AMERICA OVER THE TOP WITH FIVE MILLIONS.

Adams County a Little Late in Starting Is Near the \$1400 Mark.

The appalling disaster of earthquake and fire in Japan has touched the American heart and the appeal of the Red Cross for five millions is raised in a week's time. Adams County was late in getting to work, due to delay in receipt of telegram from Red Cross Headquarters. In five days however our people have generously given nearly \$1400. Our minimum quota is \$2000 and it is hoped to reach that point when all donations have been made and reported. Those at the head of the Red Cross urge all communities to give the quota for the need is great.

Secretary of Commerce Herbert Hoover and John Parton Payne, National Chairman of the American Red Cross have made the clearest report of the stupendous loss and needs, saying "It is now possible, from the report of the different Government departments and the Red Cross, to form a more comprehensive idea of the extent of the Japanese disaster. The area affected supports a population of approximately 10,000,000 persons. Between 200,000 and 300,000 are estimated to have been killed, from 300,000 to 500,000 injured. In the Yokohama and Tokio district alone 1,500,000 have been rendered homeless, and, in addition, it is estimated that 1,000,000 more are homeless in the outside districts. Many millions more have been cut off from their occupations.

"The supplies of food, clothing, medicines, hospital service and material for construction of shelter have been destroyed in the larger centres. Supplies of milk for children are no longer available. Great masses of children have been orphaned. Hundreds of thousands of breadwinners have been lost.

Quick Help Called For. "The problem, therefore, of American charity is to provide with the utmost expedition supplies of food, medicines and clothing, and to ship material for temporary shelter to provide solution for the destitution which follows from such a great disaster and dislocation.

"The human problem is widely different from the great economic problem of property losses and derangement of business. In the case of the great San Francisco disaster the financial stability and the credit of the United States were in no way impaired, but it was only through the charity of the American people and the rest of the world that the inhabitants of San Francisco were maintained until they could re-establish the normal processes of life.

"In order to expedite recovery from this disaster it is therefore necessary, on one side, to recognize the economic strength of Japan, the solidity of her credit; for American merchants and business men to extend to Japan the usual and normal facilities of trade; on the other hand, it is imperative for American charity to respond with that generosity which is befitting to our people in their fortunate situation to a great friendly nation that has met so appalling a human problem in the loss of life and suffering and destitution.

"The need before us is an emergency need. For our aid to be of the most effective character we must have American resources placed at our disposal during the current week. We sincerely hope the campaign will go ahead with the utmost vigor.

Obligations Exceed Receipts. "The receipts from the fund effort to date are indicated at about \$3,500,000. The obligations we have already undertaken in supplies and money exceed this sum. Eight cargoes, the third of which will sail tomorrow and the other five of which are loading, have been purchased.

"Some portions of the United States have found it possible to exceed the quotas assigned them. It is the earnest hope of the executives of the Red Cross that these will continue their efforts unabated and that all districts will exceed generously the minimum quota that was set.

"The amount of the contribution we can make, the supplies and support we can mobilize within the next ten days, are not only the mark of American generosity, but have a direct quotient of human suffering mitigated and human life saved."

On Thursday evening the local Red Cross had \$500 ready to send making a total of \$1500.

## Democratic National Convention.

Thomas Taggart, of Indiana, Democratic leader of that State, declared this week in favor of New York as the place for the next Democratic National Convention. New York, he said, was the logical location for the gathering of the Democratic clans. The Eastern location of New York he does not regard as an obstacle. Democrats, he pointed out, had gone across the continent to San Francisco to attend the last convention, and there was no reason why they should not traverse the country in the opposite direction to meet in New York.

## GETTYSBURG COLLEGE OPENS

### ON WEDNESDAY OF NEXT WEEK THE 32ND YEAR BEGINS.

The Inauguration of President H. W. A. Hanson on Oct. 19th to be the Event of the Year.

Gettysburg College will begin the year with enthusiasm galore, for a number of reasons. The biggest Freshman class ever is in sight. Applications for 210 have been received. Nearly a half hundred more came in but entrance requirements were not to standard. Two hundred will top all previous classes in size by a good margin and is going to develop an absolute need of the college for more dormitory room. There will be more students quartered in the town than ever before and the fraternity houses will have their quota. Many students are already in town. They will crowd the railroad trains next Monday and Tuesday and Wednesday morning at 11 o'clock the opening exercises will be held by the new president Dr. H. W. A. Hanson, in Brua Chapel.

The event of the year will be the inauguration of President Hanson on Oct. 19th, with a special celebration. With 800 students in college Gettysburg Academy and the Seminary an auditorium in town would be taxed beyond capacity to accommodate students, alumni, visitors and town people. The plan is to erect a big tent which has been secured from the Chautauqua Association of Swarthmore and will come provided with stage chairs and all necessary equipment. The program has not been announced, but among the speakers will be represented the Board of Trustees, the Faculty, the alumni, and representatives of other colleges and universities.

Dr. Edgar F. Smith Heads Foundation. A gift of \$500,000 from the Allied Chemical and Dye Corporation of New York, to found the American Chemical Prize of the annual value of \$25,000, to be awarded the chemist of either sex in America who, in a period to be determined, has made contribution of outstanding merit to the science of chemistry, was announced by the American Chemical Society, in annual session at Milwaukee this week.

The committee named to carry forward the conditions of the gift are Edward F. Smith, Provost emeritus of the University of Pennsylvania; Professor C. F. Chandler, Columbia University; Dr. Ira Remsen, President emeritus of Johns Hopkins University; Dr. F. P. Venable of the University of North Carolina, and Dr. T. W. Richards, of Harvard University.

Dr. Smith is a graduate of Gettysburg College and with Mrs. Smith frequently visits Gettysburg.

## Jamison Statue Has Arrived.

Great excitement prevailed in Biglerville this week. A trail of chatter and buzz followed the truck of Jas. C. Cole as it carefully wound its way through "The Narrows." Children "bagged" school, and hung on the vehicle. The reason of all the hubbub was that Mary Jamison, the famous "White Squaw" was coming back, after a hundred and fifty years, to her home and of Buchanan Valley. The pedestal, on the hilltop at the Old Jesuit Mission, was waiting Mary's arrival, the foundation of her ancient home, erected with loving care, so that she is again on the stones of her old Adams county cabin. The statue is of bronze, life-size, weighs nearly 500 pounds and by a new process is tinted to look extremely life-like. A beautiful girl of 17 summers, she stands there gazing in the direction of her old home, where she spent her happiest days, her red-gold hair in two braids, her skirt leather, her cloak a tanned deer skin. Her eyes are big and Irish blue with a deeply sad expression, as if she had a presentment of what the bitter future held for her. "Our Mary" seems rapt, as if hearing the cries of white victims at the stake, some of whom she fought vainly to save; as if looking on one of her Indian sons murdering the other; as if dreaming of old Buchanan Valley that her mortal eyes should never view again. The unveiling will take place Sat. afternoon, Sept. 29.

High School Football Schedule. The High School football team is rapidly being put into shape by Coach Reynolds to handle the following heavy schedule.

Sept. 22—Open.  
Sept. 29—Frederick High here.  
Oct. 6—Williamsport High away.  
Oct. 13—Camp Curtin High here.  
Oct. 20—Cumberland High here.  
Oct. 27—Waynesboro High away.  
Nov. 3—Gettysburg Academy here.  
Nov. 10—Harrisburg Academy away.  
Nov. 17—York High away.

—J. Clayton White, of Williamsport, has returned to his home after spending a week at the home of Mrs. Amanda Rupp. Mr. White is a native of Gettysburg and a veteran of the Civil War.

Glenn Bream, Chambersburg street, has gone to Sunbury where he has accepted a position with the State Highway Department. He graduated from Gettysburg High School last June.

## ATTEMPT TO ASSAULT GIRL

### 17 Year Old Girl Fights and Screams Assailant Runs Away.

Beulah Doyle, the 17 year old daughter of Mr. and Mrs. Johnson Doyle, of Reading township, not far from East Berlin fought off an assailant in her father's barn on Monday morning. The girl states that the entry way in which she was attacked was dark and she is not positive whether her assailant was colored but believes he was a mulatto. The alleged assault took place in the barn on the Doyle farm. Johnson Doyle and William Deardorff were feeding cattle in the lower portion of the building, when the girl went to the ground floor for chicken feed. The man was hiding in the entryway and, as the girl came in made the attack.

The Doyle girl is of athletic build. She put up a terrific fight when the man grasped her by the hair and slashed off most of the tresses. The girl screamed for help and he fled. As the girl was hysterical it was several minutes after her father and Mr. Deardorff arrived at the barn entrance before she could give a coherent account of what had happened. Meanwhile the man had a good five minutes start. Armed with guns, Johnson and Deardorff set off in pursuit. After the attack the party jumped a hedge fence and vanished in a corn field.

Word was sent at once to Dr. Eugene Elgin, and the State Police at Gettysburg and Jesse Crabbs at Hanover.

The assailant is believed to be a mulatto and about 40 years of age and all the section around Berlin engaged in a manhunt Monday afternoon and evening and a watch has been kept since but there have been no arrest as yet.

The Doyle girl, who was suffering from shock, was treated by Dr. Elgin. She is a student at the East Berlin High School. The Doyle family are recent newcomers in this section, having lived until recently in Oklahoma.

## PRIMARY, TUESDAY, SEPT. 18.

The administration of the finances of the county and of the County Home, the handling of all county money and the service of nearly all county offices are involved in next week's primary. Every voter remaining away from the polls puts him or herself in the class who has no right to criticize county affairs for the next four years. Every single voting soul ought to be interested enough in his own welfare, and that of his county, town, ward and township, to go to the polls and vote for the candidate of his or her choice for each office. Don't leave your primary duties to George. Do them yourself.

## Hay Crop.

The Pennsylvania hay crop is short. The Secretary of Agriculture estimate recently made up gives a total of 2,596,305 tons compared with 4,585,000 tons in 1922, and a ten year average of 4,093,000 tons. The reported average yield is less than a ton to the acre. Adams County being among the lowest with three quarters of a ton to acre and the highest does not run over ton and a third.

## 408 Registered Pa. Stallions.

The Pennsylvania Bureau of Animal Industry during 1922 licensed 408 registered stallions and jacks standing for public service in Pennsylvania. Draft stallions numbered 354, light harness, thoroughbred and saddle stallions, 29, and jacks, 25. The Stallion Law as amended April 21, 1921, provides for the issuing of licenses only for registered animals. The year before the law was amended a total of 752 stallions, registered and unregistered, were licensed for public service in Pennsylvania. The 1922 stallion directory has recently been published as General Bulletin No. 375 and may be procured by addressing a request to the Pennsylvania Department of Agriculture, Harrisburg, Pa.

## Growth of Littlestown Post Office.

The growth of the Littlestown Post Office is shown by the figures of the retiring postmaster, Elmer D. Bucky.

Receipts of the office November 16, 1918, when Mr. Bucky took charge were \$4600. Last year they were \$7200.

The salary of the postmaster was \$1600, compared with \$2100 when he retired.

Four years ago the office was allowed \$50 for clerk hire, and now it receives \$800 for the same purpose.

Four years ago the rural carriers were paid on a basis of \$1200 while they receive \$1800 at the present time.

October 1st, 1920, F. R. Staveland was appointed city carrier at a salary of \$1000, which was increased to \$1200.

## Where President Wants Your Help

President Coolidge's prompt appeal to the American people to help relieve the distress in Japan, following the unprecedented earthquake there, Sept. 1-2, was the keynote for an outpouring of world sympathy and helpfulness. The U. S. Army and Navy in the Far East cooperated with the National Red Cross and in less than twelve hours were rushing all available supplies to the scenes of disaster. Other world powers also quickly started relief activities.

The President requests that all contributions be sent direct to the Chairman of the National Red Cross, at Washington, for transmission to Japan. It is recalled that Japan contributed \$100,000 to the people of San Francisco at the time of the earthquake and fire there.

Upper picture shows scene of terror and confusion in Tokio in 1921, following a quake not one-tenth as severe as that which resulted in the present disaster. Lower: The sea wall at Yokohama, which city with Tokio, was virtually destroyed.

I would thank you to remember me at

To the Democratic Voters of Adams County :

I am a life long resident of Adams County, and have been a straight party worker for 27 years, also serving as a committeeman for 5 years. I have been a candidate for Sheriff at three previous campaigns and have always received a large vote.

I kindly ask for your support and influence at the coming Primary, and it will be highly appreciated.

## CATARRAL DEAFNESS

Is often caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing. Unless the inflammation can be removed, your hearing may be destroyed forever.

HALL'S CATARRH MEDICINE will do what we claim for it—rid your system of Catarrh or Deafness caused by Catarrh. HALL'S CATARRH MEDICINE has been successful in the treatment of Catarrh for over Forty Years.

Sold by all druggists.  
F. J. Cheney & Co., Toledo, O.

The cement block double house on Broadway, Hanover, belonging to the estate of Clayton Myers, late of New Oxford, was sold at public sale to Mrs. J. D. Riley of Hanover for \$5,770.

## How's This?

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Medicine.

Hall's Catarrh Medicine has been taken by catarrh sufferers for the past thirty-five years, and has become known as the most reliable remedy for Catarrh. Hall's Catarrh Medicine acts thru the Blood or the Mucous surfaces, expelling the Poison from the Blood and healing the diseased portions.

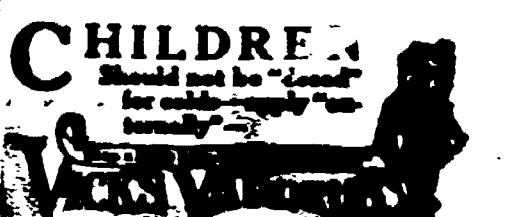

After you have taken Hall's Catarrh Medicine for a short time you will see a great improvement in your general health. Start taking Hall's Catarrh Medicine at once and get rid of catarrh. Send for testimonials, free.

# HELPFUL HINTS

**A New Brown**—Before using a new brown, soak it in boiling water with salt. This will toughen the bristles and make it last much longer.

**Iodine Stains**—A very hard stain to remove is iodine. It can be done though if soaked in milk, occasionally rubbing the spot.

**Oleothene**—If you will boil your oleothene once or twice a month you will find they last much longer.

**Oatmeal**—A little sugar added to oatmeal while it is cooking will improve the flavor.

**Fruit Stains**—If powdered starch is applied instantly to fruit stains, it will usually remove them.

**Short Stemmed Flowers**—To prevent flower stems going down too deep in a tall vase roll some ordinary newspaper into a loose ball. The flowers will then stand up. It will hold the moisture, if replenishing the water is forgotten, which is a double benefit.

**Ironing Pongee**—Pongee, unlike most materials, should not be dampened when ironed. It should be thoroughly dried and ironed on the wrong side for a really good effect.

**For Sticky Substances**—If when grinding raisins or any such sticky substances a few drops of lemon are squeezed into the food grinder first, the difficulty will be removed.

**Broken Glass**—If a glass is broken, don't try and pick up the small pieces. Instead lay a wet woolen cloth on the floor where the fragments are and pat it. The tiny particles will adhere to the damp cloth and that can easily be burned. A piece of glass in the flesh might cause no end of trouble not to mention the pain.

**Keep Stove Bright**—Rub your stove off daily with an ordinary piece of newspaper and the polish will remain twice as long.

## FREDERICA

FREDERICA is the feminine counterpart of the popular masculine name Frederick. It signifies "peace ruler" and comes originally from the old Freyr of Teutonic mythology. Freyr meant "free", which is loosely translated to "love of peace". The idea was personified into a god of very high rank, who later was disintegrated into a brother and sister, called Freyr and Freya.  
Freyr named the sixth day of the week and presided over love and marriage and drove over battlefields in a chariot drawn by panthers to conduct the slain to their appointed places in Valhalla. While Freyr was progressing by direct route into Frederick, the feminine form was slower in becoming Frederica. There are records of such queer deviations as Frithswith, Fridwid and Frithesanta in the Eighth century.  
The saintly daughter of the lord of Oxford bore the name of Frithswith and lived in a little cell at Thornbury, and had curious adventures which are portrayed in a window of the cathedral at Oxford. She was also patroness of the university and cathedral. The cumbersome name of Frithesanta was borne by the wife of Geoffrey Lezterell in the Fourteenth century.  
Frederica is purely an English invention, though Portugal and Italy had adapted it intact. The French call it Frederique and the German Friedrich. Onyx is Frederica's talismanic stone. It will guard her from lewd/contests and assures her of a sweet, lovable nature. Thursday is her lucky day and 1 her lucky number.

Add This Fact to Your Store of Knowledge.  
Kidney disease often advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptoms of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the kidney secretions are offensive, irregular and attended by pain, procure a good kidney remedy at once.  
Your townspeople recommend Doan's Kidney Pills. Read the statement of this Gettysburg citizen.  
H. H. Ridinger, 247 W. Middle St., says: "Kidney disorder, in all probability, brought on by heavy lifting, at one time had me in a bad way. Sharp pains took me across the small of my back and at night, it was so painful. I frequently had to get up and sit in a chair. My kidneys became weakened and acted irregularly. Doan's Kidney Pills, procured at the People's Drug Store, gave me excellent benefit. I always keep Doan's on hand in case of necessity."  
Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Ridinger had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

### The Issues of 1924

The change in the office of Chief Executive does not change the fact that the Presidential campaign of 1924 will be fought out on questions of party policy.

One of the first announcements of President Coolidge was that he would carry out the policies of President Harding, and he gave the best evidence possible that he intends to do so by retaining the full membership of President Harding's Cabinet. President Coolidge therefore should have full credit for complete sincerity in making this promise. The issues of 1924, in view of this promise, remain unchanged, however they may be supplemented by issues raised by the new President.

"What will be the issues in 1924?" is a question often asked. The most specific and comprehensive answer so far has been made by Cordell Hull, Chairman of the Democratic National Committee. Chairman Hull says:

"All the live and material issues of 1924 cannot now be forecasted, either in general or in detail, both on account of changing conditions and of the ability of the party in power to make and unmake some issues by acts of omission and commission. All pressing and vital issues materially affecting the welfare of the people, or of most of them, should be kept abreast of each other. The next Democratic National Convention alone can define the issues for Democrats. From present day opinion and discussion, however, the following may be pointed to as some of the more important issues of the present and the immediate future, without reference to the order of their importance:

"The demonstrated failure of the Republican administration, dominated by the Old Guard at all times, which has been aimless, instable, and unable either to understand or to solve most of the acute domestic and international problems.

"The broken Republican platform pledge to reduce the high cost of living and to prosecute the profiteers.

"The Forney-McCumber tariff law, already costing the people four billion dollars a year in excessive and extortionate prices.

"Special privilege in its many other aggravated forms, as prompted and championed by the Republican administration.

"The practical application of the principle of international cooperation embracing the essentials and fundamentals of the foreign policies of the recent Democratic administration, to existing conditions, contrasted with the humiliating failure of the Republican administration to deal decisively with any important phase of foreign affairs.

"A constructive patriotic merchant marine policy as against the -proposed \$750,000,000 ship subsidy.

"A sound and humane industrial policy to solve industrial problems—to insure full and equal justice to labor and capital, and to sustain their peaceful relations—in contrast with hopeless Republican failure during the past two years.

"Relief in transportation and transportation costs.

"A more progressive and constructive remedy for the desperate condition of agriculture, especially as it relates to transportation and distribution, and foreign markets.

"Speedy and equitable tax reduction—Federal, State and local—accompanied by rigid economy.

"States rights and local self-government in matters purely local in their nature.

"Honesty and efficiency in the public service, contrasted with corruption and almost anarchy in a number of Government departments.

"Republican betrayal of the Civil Service.

"A much higher standard of public and political morals in contrast with Newberryism and Daughertyism.

"Application of the great body of intelligent, sound, liberal, and progressive sentiment to the prompt solution of conditions and problems affecting the commercial, economic, industrial and social welfare of the people.

"The adoption of sound, economic

and trade policies, domestic and foreign, in contrast with existing wholly unsound policies, or none at all, of the Republican administration."

#### Plan Excursion to Dairy Show—Steer Feeders' Meeting.

Plans for an excursion by train of dairy farmers and others connected with the big dairy industry in this county to the National Dairy Exposition on the state fair grounds at Syracuse, N. Y., October 5-13, are being worked out by County Agent Underwood.

A special train will leave Harrisburg at 12.10 A. M. October 10th, over the Pennsylvania by way of Northumberland and Lackawanna to Syracuse, arriving at 7 A. M. October 10th. The same train, returning, will leave Syracuse at 11 P. M. October 10th, arriving at Harrisburg at 6.40 A. M. October 11th. This train will be composed of day coaches and Pullman sleeping cars. The rate of fare from Harrisburg is \$14.85 a round trip, and the Pullman charges are, in addition, for lower berth \$3.75 and for an upper berth \$3.00 each way.

If everybody who intends to visit the exposition will send in their names to the office, Mr. Underwood said, he will be able to complete arrangements and announce details of the excursion in plenty of time before it opens.

"Every dairy farmer in the county and every man connected in any way with the dairy industry ought to visit the exposition," Mr. Underwood said. "It is sure to furnish many ideas for the progressive farmer who wants to build up his dairy business because it assembles all the latest and best ideas on dairy methods from all parts of the country."

"In addition, the exposition brings together the finest cattle in the country and has many other features of real value. This is the first time it has been held in this part of the country and may be the last. At any rate, it doesn't come every year and

for this reason every dairyman should make an extra effort to see it. It is well worth the cost of a few days' visit."

#### Steer Feeding Meeting.

Mr. P. T. Brown, extension beef cattle specialist of State College made an address at a meeting of steer feeders held in the Courtroom at Gettysburg, Thursday evening, September 13th. Mr. Brown is a new man at the College, coming from the state of Indiana where he has had a wide experience with steer feeding problems in the corn belt. He was here to discuss several phases of the cattle situation in Adams county. His knowledge of the feeders game ought to help to have a bigger margin of profit on your cattle. Mr. C. Arthur Griest, President of the Adams County Livestock Association presided and some other matters of importance were taken up at this meeting.

County Agent.

#### Unchanged His Mind.

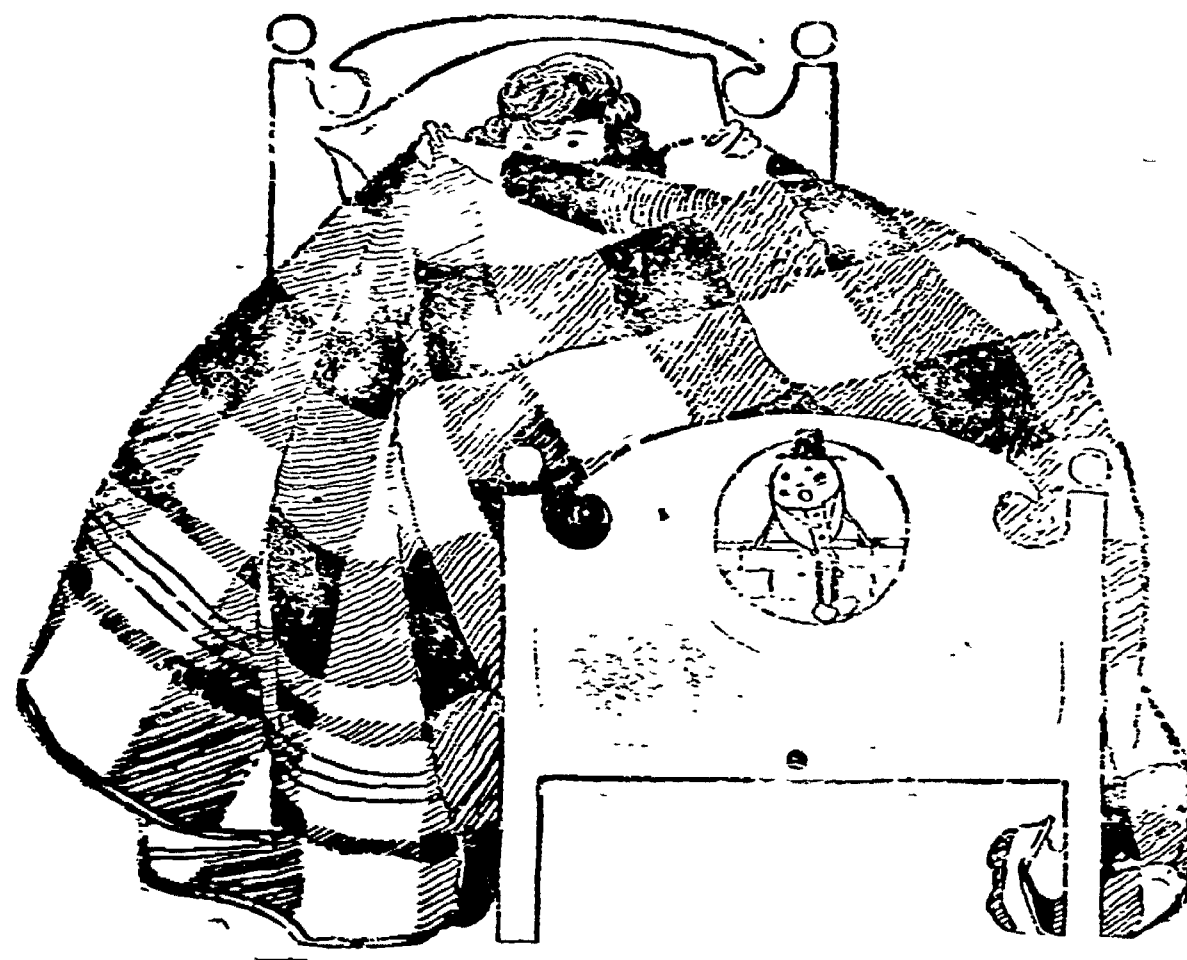

Sharp Dame—I must frankly tell you, Mr. Meek, that my consent to your marrying my daughter has been wrung from me under protest.

Mr. Meek—Eh? Protest?  
Sharp Dame—Yes, sir. I knew that if I did not consent she would disgrace the family by an elopement. When she wants anything we all have to give in to her, or take the consequences; and long experience has taught me that I might as well try to fan off a cyclone as reason with her when she gets angry, especially if there is a flat-iron or a rolling-pin handy, and so I just give up at once. Has the wedding day been fixed on yet, Mr. Meek?

Mr. Meek—Um—er, not yet; and, in fact, madam, I'm—I'm a little afraid that I can't afford to marry. Good—good day.

—Mrs. D. F. Ikeler and daughter, Janet, have returned to their home on Carlisle street after spending a month with relatives at Bloomsburg and Pocono Lake.
